No further reproduction or distribution of this copy is permitted by electronic transmission or any other means.

The user should review the copyright notice on the following scanned image(s) contained in the original work from which this electronic copy was made.

Section 108: United States Copyright Law

The copyright law of the United States [Title 17, United States Code] governs the making of photocopies or other reproductionsof copyrighted materials.

Under certain conditions specified in the law, libraries and archivesare authorized to furnish a photocopy or other reproduction.One of these specified conditions is that the reproduction is not to be used for any purpose other than private study, scholarship, or research.If a user makes a request for, or later uses, a photocopy or repro-duction for purposes in excess of "fair use," that use may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgement, fulfillment of the order would involve violation of copyright law. No further reproduction and distribution of this copy is permitted by transmission or any other means.
